

Tanker 3. Needs to have solenoid replaced on pump. Does start when pulled

Brush truck #2. Need to replace glow plugs and possibly the fuel pump.

Brush 1. Still making brackets to hold things up in back of so it is easier to garb and go plus cleaner.

Brush 4. Will be replacing the batteries with new batteries from the station

Med 1. Went to Fine Line Auto body with med 1. Larry can not get it in his shop. We have to try another place. Calling Fristoe's to see if it will fit in their building
